## SALESFORCE PROJECT

**Apps**

An app is a group of tabs that work as a unit to provide functionality. Users can switch between apps using the app dropdown menu at the top-right corner of every page.

You can customize existing apps to match the way you work, or build new apps by grouping standard and custom tabs.

Custom apps work in conjunction with User Profile Tab Visibility settings. [View User Profiles now.](#)

The screenshot shows the 'Flight Schedule' page of the Airlines Management System. At the top, there's a search bar and navigation links for Home, Flight, Flight Schedule, Pilots, Pilot Schedule, Reports, Dashboards, and a 'Create New...' button. The 'Flight Schedule' tab is active. On the left, a sidebar lists 'Recent Items' with flight records A-0001 through A-0004. Below the sidebar is a 'Recycle Bin' section. The main content area displays a flight record for 'A-0001' from Akola to Navi Mumbai, departing on 5/20/2022 at 11:38 PM and arriving on 5/21/2022 at 5:38 AM. The status is 'Open'. The record was created by 'pranay.dhole' on 5/16/2022 at 11:52 PM. Below this, sections for 'Open Activities', 'Activity History', 'Notes & Attachments', and 'Pilot Schedule' are shown, each with a 'New [Activity]' button. The top right corner includes links for 'Customize Page', 'Edit Layout', 'Printable View', and 'Help for this Page'.

The screenshot shows a Gmail inbox with 169 messages. The main message is from 'pranay dhole via nwjblu8ogt3p.5i-kbwueac.ap26.bnc.salesforce.com' to the user. A yellow warning box is overlaid on the message, stating: 'Be careful with this message. This may be a spoofed message. The message claims to have been sent from your account, but Gmail couldn't verify the actual source. Avoid clicking links or replying with sensitive information, unless you are sure you actually sent this message. (No need to reset your password, the real sender does not actually have access to your account!)'. Below the warning are two buttons: 'Report spam' and 'Looks safe'. The message content itself is as follows:
